- Easy to clean & maintain
- Applicable on damp surfaces

HELPS RESIST

- De-icing salt
- Ultraviolet rays
- Motor oil and grease
- Stains up to 10 years

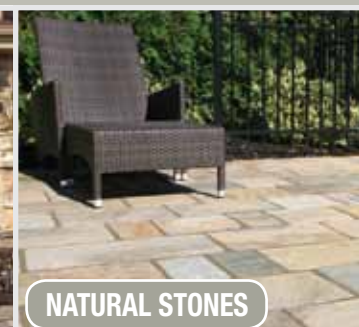

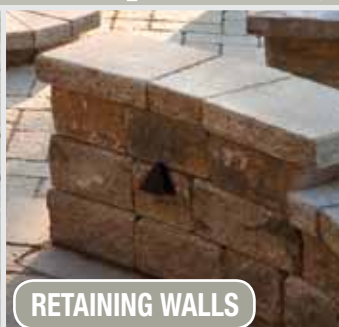

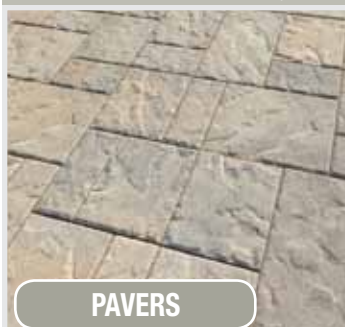

DESCRIPTION

Gator Seal is made from fluorochemical polymers. This sealer penetrates deep into the concrete pavers & walls, masonry and natural stones, thus reducing the oil and dirt penetration, as well as protecting them from de-icing salt.

Gator Natural Look Sealer is made from an advanced high-tech patented formula called Gator Stone Guard. This breathable long lasting sealer deeply penetrates into the concrete & stone pores providing an invisible & durable shield that will protect your hardscape investment for up to 10 years.

Clear, Transparent, Invisible Protection
