- Easy to clean and maintain
- Non slip formula
- Makes pavers look more vibrant
- Can be applied to Gator Satin Look and Wet Look finishes

HELPS RESIST

- De-icing salt
- Ultraviolet rays
- Motor oil and grease

DESCRIPTION

Gator Seal Resealer for concrete pavers and natural stones is made from acrylic based polymers. Gator Seal Resealer will penetrate the formula of the existing sealer & reactivate the molecules to create a rejuvenated seal to protect the paver surface. Thus reducing the oil and dirt penetration, as well as protecting them from de-icing salt.

REJUVENATES SURFACE
