

VINTAGE FEDERAL STONE

One of the most popular pavers on the market, the Vintage Federal Stone combines the uniformity of a running bond with the look of real cobblestone. The barrel spun tumbling of the pavers instantly gives off that aged feel.

Perfect for a home by the sea or in the rolling countryside, Vintage Federal Stone captures the essence of New England. Numerous pattern choices allow for unlimited combinations.

Pavers: Vintage Federal Stone
Color: Fieldstone Blend

LIFETIME WARRANTY

Gagne & Son supports our "Made In Maine" concrete pavers and retaining walls with a Lifetime Warranty on the structural integrity of our product used in a residential setting. Material that is deemed defective will be replaced at no cost, labor will not be included. Gagne & Son has worked hard to provide uniform product, but color, texture, and finish of the replacement product may not match the original product. Proof of purchase is required. All warranty claims must be approved prior to removal and disposal of the product in question.

**Please note efflorescence and color variance are not a valid warranty claim.
